

## Louisiana and Missouri Lawmakers Decline Proposals to Make Major Changes to Marijuana Permitting Structure

**Bridge West CannaBlog by Peter Prevot, CPA, CIA**

Peter Prevot, CPA, CIA, recently published a [CannaBlog](#) regarding two new markets that [Bridge West](#) has been closely monitoring. In May 2020, state-level legislatures in Louisiana and Missouri recently considered removing existing licensing caps on medical marijuana permits.

To learn more about the recent legislative changes in Missouri and Louisiana's cannabis markets, please view Peter's video and read the full article below:
