Accreditations

CFF *Certified in Financial Forensics* credential approved August 2008

ABV *Accredited in Business Valuation* designation received February 2005

Education

1989 Masters of Science in the Taxation Program, University of Colorado, Boulder

1983 Certified Public Accountant – State of Colorado

1979 Bachelor of Business Administration, University of Massachusetts

Professional Experience

Jim has worked full time in the accounting and auditing profession since 1979. He was initially employed by the Boston office of *Alexander Grant and Company*, now known as *Grant Thornton, LLP*, a national accounting firm, and worked on audits of several manufacturers.

While working for a local CPA firm in Boston, Jim gained considerable knowledge of the administration of a CPA practice as well as practical small and medium size business accounting and tax experience.

After leaving the Boston area Jim worked as an internal auditor for a large life insurance company in Denver. He was employed there until leaving to start his own private CPA practice in early 1984.

Jim Marty and Company was founded in 1984 and served the Longmont, Colorado area. With the addition of Scott Lyle as a partner, the firm changed to *Marty and Lyle, LLC* in 1998. *Marty, Lyle and Doty, LLC* resulted from the 2000 merger with Boulder based *RG Doty and Associates*. The firm had expanded to two locations, Boulder and Longmont, Colorado, and employed a staff of 20. The firm name, *Marty, Lyle, Doty and Jones, LLC* evolved with the addition of Bill Jones as partner in 2003.

At *Marty, Lyle, Doty and Jones, LLC, (MLDJ)* Jim was in charge of the tax department doing complex tax and estate planning work for closely held businesses and high net worth individuals. In addition, Jim was responsible for preparing business valuations.

In the Spring of 2007, Jim left *MLDJ* to form *Jim Marty and Associates, LLC. (JMA)*. With a staff of 8, Jim continued to head the firm that offered full service accounting, business valuations and expert witness services.

In 2009, prior to the passage of HB 10-1284 and SB 10-109, the Colorado Medical Marijuana

Code, Jim's clients asked him to research the marijuana industry for answers regarding renting property to growers and/or dispensaries, opening a dispensary, supplying marijuana to dispensaries and many other issues facing this new industry. In November of 2009, Jim traveled to San Francisco, California to meet with attorneys and accountants involved in the Champ case and medical marijuana clients in general. Following that trip he decided to open his practice to the Marijuana Industry.

On January 1, 2015 Jim merged all his traditional (non-marijuana) clients with Brock and Company, CPAs, P.C., a 50 person CPA firm founded in 1956 in Longmont, Colorado. At that same time, Jim dissolved Jim Marty and Associates, LLC and created a new company focused exclusively on the marijuana industry called BridgeWest LLC. BridgeWest LLC performs audit and tax work for clients in the marijuana industry. Jim has become a nationally recognized speaker on marijuana tax, accounting, and banking issues. He has been on Fox Business News, CNBC and numerous other print and radio media outlets. Today Bridge West now serves more than 400 medical marijuana clients, has assisted in numerous medical marijuana IRS audits, and continues to attend meetings to support and learn about the cannabis industry and the "recreational adult use" marijuana law passed in Colorado, in November 2012. On January 01, 2017 Bridge West was acquired by Boeckermann, Graftstrom and Mayer of Minneapolis Minnesota.
